

ChristTown Ministries, Inc.
Changing Lives by Christ Centered Living

Congratulations! You have just completed your first step to recovery – admitting you have a problem. ChristTown Ministries, Inc. is a church that understands your plight! We are *Real People, Dealing with Real Issues, Serving a Real God*, and we want to help you. We are on your side!

Our goal is to provide you with a safe and nurturing place to live while helping you become dependent on Jesus and able to live independent of any assistance other than His divine will for your life. Before you make your decision to enter our program, please consider the following:

1. Program completion will take approximately 1 year, or longer.
2. We do not allow any anti-depressant, narcotic pain killer(s), anti-anxiety or any other mind/mood altering medicines. Any medications you take must be approved in advance by the Program Director.
3. We are a "working" program. When you come into the program, you will be placed immediately in a position of volunteer service to participate in keeping the ministry functioning. This service is part of our recovery program and you will not be paid in dollars for your service. There is no outside employment allowed during this first year.
4. It is imperative to disrupt your current cycle. In order to do this, there will be zero contact with the "outside world" for a minimum of 60 days. Phone privileges are achievable after 90 days and furloughs after 120 days, based on your progress and evaluation approval.
5. Make sure you read and understand the attached program agreement, because violations of any rules set forth will be grounds for dismissal from the program.

Again, congratulations! I am praying that your journey will be as awesome as mine has been. Jesus saves, Jesus is real and Jesus loves you.

All for Jesus,

Laura Wells
